So, that's what it was all about.

Why playing so childish, when facing an extreme danger?

**Message transféré** "P.S. : Cela revêt une importance capitale en raison de la gravité de la situation. Étant donné que je n'ai aucun souvenir de la manière dont le dispositif a été implanté (**dispositif à l'existence confirmé donc par la police, vu que vous avez tous perdu votre langue**), il est essentiel de comprendre que l'objectif de la torture (qui est manifeste, et une fois de plus, arrêtez de faire les gamins: <https://thierrymoudiki.github.io/blog/2025/06/10/r/python/techtonique/personal-note>) est d'induire de la fatigue et de créer de faux souvenirs. De plus, des mécanismes de suggestion subliminale sont employés, notamment à travers les réseaux sociaux (par exemple, synchroniser cet appareil avec mon fil d'actualités) en aide. De telles actions sont formellement interdites et passibles de sanctions pénales (<https://www.ohchr.org/fr/instruments-mechanisms/instruments/convention-against-torture-and-other-cruel-inhuman-or-degrading>). Elles se déroulent totalement en dehors de tout cadre légal. Par ailleurs, étant donné que je n'ai aucun souvenir de ces événements (ils poursuivent leurs actions jusqu'à fabriquer un faux souvenir ou un faux aveu, me forçant à mentir pour qu'ils cessent—ce mode d'action est bien documenté), la situation dépasse tout ce qui pourrait être considéré comme acceptable. J'ai également une autre question : pourquoi tentent-ils de m'impliquer dans leurs actes ? Je n'en ai sincèrement aucune idée.

**Pourquoi n'agissez-vous pas? Et rapidement? Vous êtes qui? VOUS ETES QUOI DE PLUS QUE MOI POUR JOUER À CA? Au-dessus des lois? Et ces discussions absurdes et tronquées, comme si j'avais perdu la tête? Ce sont des insultes...**

Hi,

I still haven't received your response.

Not sure how you're working usually, or what you intend to do during the potential consultation we discussed, or what I should prepare before our discussion.

Best regards.

Hi Victoria,

Sure. I can pay at the beginning of next month, around the 5th.

Would that be fine for you? Do you send invoices or something similar?

Best regards,

Dear Mrs Filipovic,

I appreciate your quick answer.

Apart from the fact that I'm desperately trying (and I've been trying everything for nearly 5 years) to make the justice (and even journalists) look into this case here in France, I have nothing else to add. Now for the past 2 days, I even have people on the streets suggesting me to keep my mouth shut ("Ta gueule").

I can even provide my criminal record (empty) if requested.

I don't think I'm eligible for an EB visa. That's why I thought about asylum after ESTA. Because I have enough evidence about the persecution and various blocks (emails, letters, etc.). But you're the expert.

Best regards,

T. Moudiki
